

DECLARATION OF HUMAN RIGHTS BY THE UNITED NATIONS

The Honorable Lindy L. Sweeney

On the 75th Anniversary of the Declaration of Human Rights by the United Nations, *The Journal* is proud to let you know about a program Judge Lindy Sweeney (DC 19-3-04) presented this month.

The theme this year was, “Dignity, Freedom and Justice for all”.

Judge Sweeney teamed up with her Rotary Club of SYC and the Paul Smith Memorial Library to inform the public that justice is a fundamental human right.

It’s an effort to let folks know what York County is doing to ensure the legal needs of the community are met.

On the panel, was an Assistant District Attorney, victim/witness advocate, public defender, and a member of the bar association.

Judge Sweeney also spearheaded, with her Lions Club, a Fentanyl event in October. She had various speakers to educate the community on this epidemic.

Thank you, Judge Sweeney for all that you have done for your community throughout the year.

PRESIDENT'S LETTER:

Greetings Colleagues,

It’s difficult to believe that it’s December already. I suppose the cliché, “Time flies when you’re having fun,” is true and accurate. These past six months have been quite the delight serving as the President of the SCJAP.

The Special Court Judges Association of Pennsylvania has tackled multiple issues such as bail response, RJA, and the two-tier pension plan.

Now as we move into 2024, there are many other concerns that require our attention. Our Association will work diligently on getting the registration fees increased, a successful legislative reception which is scheduled for February 6,

Congratulations to the newly elected magisterial district judges and may everyone have a blessed and healthy New Year!
